RMCAO

Congratulations!

THE MUNICIPALITY OF CHATHAM-KENT

has been selected to receive the

INFRASTRUCTURE AWARD TROPHY

for

TALBOT TRAIL BRIDGE

This project will be honoured at the Ontario Concrete Awards Banquet to be held at Concrete Canada, Metro Toronto Convention Centre, on **Wednesday, December 3, 2008**. We hope that you and your associates will attend and accept this award on behalf of your firm.

Our Master of Ceremonies will give a brief overview of your project and introduce your lead construction team, at which time your spokesperson will give a 3-minute acceptance speech.

Please provide 3 pictures that best highlight your project, as well as the name of your spokesperson by November 21, 2008, to bkanters@rmcao.org or contact Bart Kanters directly at 905-507-1122.

Note: An award plaque will be presented to only the Lead Construction Team, not the Additional Participants.

Lead Construction Team:

Owner: The Municipality of Chatham-Kent
 Engineer of Record: Dillon Consulting Limited
 Precast Engineer: HGS Consulting Engineers Limited
 General Contractor: PCR Contractors Inc.
 Material Supplier: Renaissance Precast Industries (IPS)

Additional Participants:

Canada Building Materials

Submitted By:

Paolo Collavino, PCR Contractors Inc.

We hope you will continue to enter this competition in future years.
